

Value Added Medicines Policy Manager

What inspires **you** to be our Value Added Medicines Policy Manager?

*Do you want to play an **important role** in ensuring **access to off-patent medicines in Europe**?*

*Are you familiar with the **pharmaceutical sector**?*

*Are Medicines for Europe's five pillars: **Patients • Quality • Value • Sustainability • Partnership** also your values?*

If so, you might be our next Value Added Medicines Policy Manager.

Why work for Medicines for Europe?

- Since 1993, Medicines for Europe has represented **pharmaceutical companies** supplying the **largest share of prescription medicines** across Europe.
- They are the voice of the **generic, biosimilar and value added medicines industries**.
- **Leading partner** for political change at an EU level and hence **better healthcare**.
- Increasing the **health and wellbeing** of all Europeans through **better access to high quality medicines**.
- The **portfolios of Medicines for Europe members** cover **80%** of therapy areas.
- Safeguarding the **sustainability** of Europe's healthcare systems for **future generations**.

Your Role

The **Policy Manager** will coordinate the work of the **Value Added Medicines (VAM) Sector Group** in **shaping policies** on various topics, supporting both internal and external **outreach** and be responsible for **managing** Medicines for Europe's contribution to **REMEDI4ALL**.

Your **key responsibilities** will include:

- **Coordinating and supporting the Value Added Medicines Sector Group** in the different projects and workstreams:
 - Managing the corresponding **Working Group and Task Forces**.
 - **Organising Working Group and Task Force meetings** including drafting the agenda, minutes, reports and briefing notes.
 - **Monitoring, analysing and advising members** on the **latest European policy and legislation**, their **impact** on both **pharmaceutical markets** as well as on **national market access policy developments across Europe**.
 - Drafting responses to **public consultations**, developing **position papers and advocacy strategies** as well as contributing to creating **communications and educational materials**.
 - **Collaborating** with institutional and non-institutional stakeholders including the **European Commission, National Competent Authorities, European Payer and Insurers Associations** in order to **advocate Medicines for Europe's stance**.
- **Managing** Medicines for Europe's contribution to **REMEDI4ALL**:
 - Within **REMEDI4ALL (Horizon Europe project)**, you will ensure **timely delivery of projects' goals and milestones** in collaboration with other project partners.

- **Contributing** to the organisation of **conferences** including their **program development**.
- **Liaising with and providing support** to other **Medicines for Europe Sector Groups, Committees and Working Groups** on horizontal issues.

Your Profile

- Master's degree in **Pharmacy/Pharmaceutical Sciences, Life Sciences, Healthcare Policy, Health Economics or other relevant sciences**.
- Minimum **3 years' experience working in Health, Pharmaceutical or Industrial Policy**.
- Understanding of the **European Pharmaceutical Framework, Market Dynamics and Policies (EU and national)**.
- **Excellent English** (written and spoken).
- Proficient in **Microsoft Office**, particularly **Excel**.
- Excellent **project management skills**, with a **proactive problem-solving mindset**.
- **Strategic** thinker, able to turn the **complex into clear messages**.
- A **quick learner** with a **politically savvy mind**.
- **Strong communicator**, able to network with excellent writing and presentation skills.
- Comfortable working in a **multi-cultural, international environment**.

Our Offer

- **Competitive Salary** + Meal vouchers (**8€**), **Net** remote work allowance, **Hospitalisation** insurance, **Ambulatory** care coverage and **Pension** fund.
- **2 days** teleworking/week.
- The possibility to **represent a dynamic European industry** and interact with **diverse stakeholders**.
- **European travel** (20% of your time).
- The opportunity to take **ownership** and have **impact** as well as being part of a **motivated and multicultural team**.

Hiring Process

- 1st Interview with **Policy and Market Access Associate Director and Head of Human Resources**. Possibility of a **2nd interview** based on an assignment.
- Decision after **10 working days**.
- **Valid Belgian** work permit for non-EU Citizens.

Call to Action

Join **Medicines for Europe**, be at the **forefront of shaping pharmaceutical policies** and make a **meaningful impact on Healthcare**. If you're **driven, proactive and ready to contribute**, Apply now.
